What is the SHIGAKOGEN NAVIGATOR?

Primary functions

- Route searching map service

Choose your departure and arrival point, and you will find the best route.

You can choose a departure/arrival point as below:

- Ski resorts, slopes, lifts
- Facilities (Hotels, Restaurants, Onsens, Shops, View spots) *expecting more options later

※ means of transfer are lifts, skiing, walking or bus.

- Ski resorts, lifts and slopes live status

You can find ski resorts, lifts and slopes live status and weather or snow conditions with this map.

Refer to the map before coming or when moving around in Shiga Kogen.

- Facilities information

The SHIGAKOGEN NAVIGATOR offers plenty of useful information such as hotels, restaurants, onsens, shops, view spots and more.

※We are expecting adding more functions. Stay tuned for updates.

Let's use the SHIGAKOGEN NAVIGATOR
